

Contracting Opportunity – Town of North Haven Invitation for Bids – Fire Station Roof

Description: The Town of North Haven is inviting contractors to bid on replacing the Fire Station roof with asphalt shingles. The work must also include removing and replacing any weak or rotted sheathing as necessary to protect the building's integrity. The asphalt shingles must be warranted by the manufacturer for at least 30 years.

The fire station was built in 1931 and has been added onto over the years. It consists of two gable roofs, a hip roof, and a shed roof. See the attached photo. The shingles on these roof sections have been replaced at different times, so some portions of the roof are in worse shape than others.

Measurements & Inspection: See the attached diagram for approximate dimensions. You are encouraged to make your own measurements before submitting a bid. Likewise, you are encouraged to inspect the roof before submitting a bid. Please contact Rick Lattimer, Town Administrator, to schedule an inspection.

Bids Due: Submit your bid in a sealed envelope. Deliver it in person at the North Haven Town Office at 16 Town Office Square, North Haven, Maine, or send it to:

Kathy Macy, Town Clerk
Town of North Haven
P.O. Box 400
North Haven, ME 04853

All bids must be delivered by **4:00 p.m. on Friday, October 8, 2021**, or **postmarked by Friday, October 8, 2021**.

Bid Opening: The Town will open bids on Tuesday, October 12th at 11:00 am. The Town will award the bid to the lowest qualified bidder.

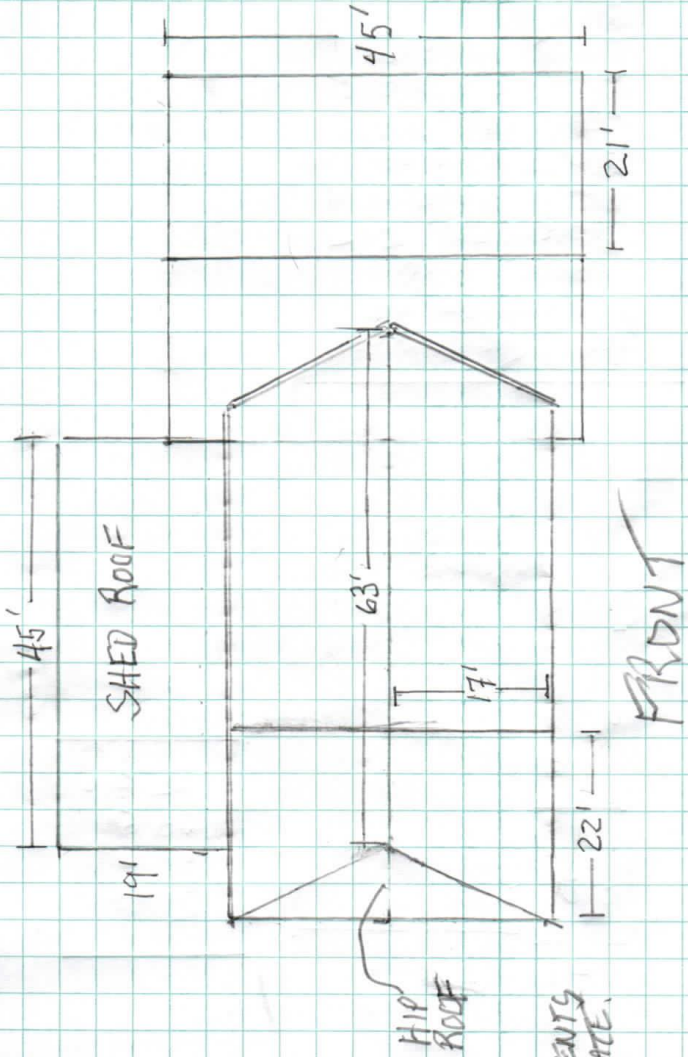

Performance Period: Work must be completed by Friday, November 19, 2021.

Right to Reject Bids: The Town reserves the right to reject any and all bids.

Questions: Please submit any questions to Rick Lattimer, Town Administrator, at administrator@northhavenmaine.org.
